nut M6
self-retaining nut M6
washer, big and small, metal and plastic

5

stopper screw for cutting depth
knurled screw, metal M6 x 25 mm
slot nut M6
metal washer, big
plasticwasher, big

6

Rail, double-layered, 31 cm long, top
Rail, double-layered, 31 cm long, bottom

7

Adjuster for slanted cuts
holder with %-scale

Spare parts for Alucutter Profi

Pos.

Description

8

insulating-plate between holder with %-scale and bow

9

machinescrew M6 x 20 mm
insulating bush

10

hot wire fastener (top) and adjuster for slanted cuts
machine screw M6 x 40 mm
tension spring for hot wire, top
guide roller for hot wire
self-retaining nut

11

support plate for adjuster for slanted cuts
knurled screw, metal M6 X 25 mm
slot nut M6
metal washer, small

12

holder for hot wire tensioner, bottom, plastic
machine screw M6 x 20 mm
metal washer, small

13

guide roller for hot wire
allen screw M6 x 40 mm
self-retaining nut M6
nut M6
cable shoe for power connection
metal washer, small

14

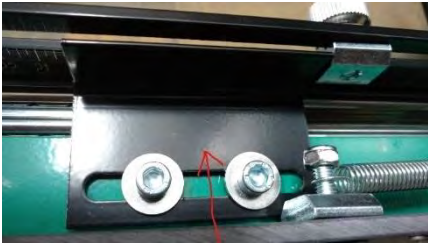

tension spring for hot wire, bottom
knurled screw, metal M6 x 40 mm
slot nut
self-retaining nut M6

Spare parts for Alucutter Profi

Pos.

Description

15

stopper plate for cutting depth (angled)
allen screw M6 x 20 mm
metal washer, big

16

support arm with 1000 mm scale

17

pivot point in detail

allen screw M6 x 25 mm
plastic washer, big, with large hole
plastic washer, big, with small hole
metal washer, big
self-retaining nut

18

clamping device in detail

fixing screw with adjustable handle M6 x 60 mm
metal washer, big
spacer sleeve, plastic, approx. 40 mm long
plastic washer
slot nut M6

19

adjuster screw for 90°-support arm left

knurled nut, metal M6
countersunk screw M6 x 60 mm
metal angle
allen screw M6 x 20 mm
metal washer, small

20

limiter (stopper at the end of the support arm)

21

stopper in detail (the part is a complete unit)

knurled nut, plastic
plastic washer
screw with square guide

Spare parts for Alucutter Profi

Pos.

Description

22

stopper for a fixed measurement

23

stopper in detail (the part is a complete unit)

24

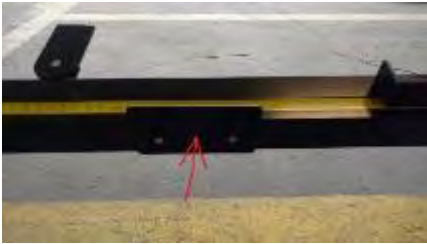

additional support

25

support in detail (the part is a complete unit)

26

additional stopper

27

stand with adjustable height and width
knurled screw M6 x 45 mm

28

stabilizer
knurled screw, metal M6 x 35 mm
machine screw M6 x 20 mm
metal washer, small

Spare parts for Alucutter Profi

Pos.

Description

29

joint

allen screw M6 x 20 mm
metal washer, small
machine screw M6 x 45 mm
self-retaining nut

30

rubber caps for stand

31

fixed support, right

knurled screw, metal M6 x 30 mm
metal washer, small

32

switch for short operation time

33

switch for continuous operation time

34

power supply (transformer)

cross slotted screw M6 x 25 mm

35

scaffold bracket

knurled metal screw M6 x 30 mm

knurled metal screw M6 x 60 mm

angled plate
